

Hi, I'm

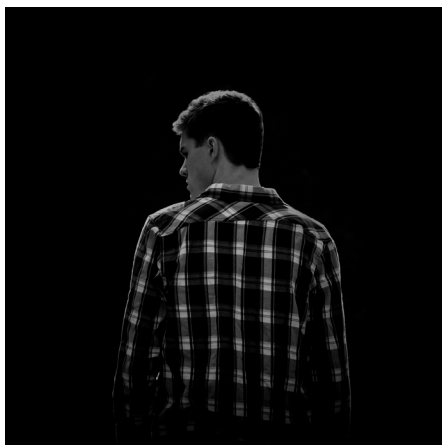

Matt Grandbois

Adventure Photographer & Videographer

mattgrandbois.com

About Me

I'm a 23-year-old Fort Collins based photographer and videographer, specialising in product & adventure photography and lifestyle videography.

I love traveling and have a passion for working with brands with a mission that align with my own—making a positive impact on others around me.

I spend the majority of my time exploring the Colorado wilderness with friends and colleagues in an effort to capture the raw beauty that surrounds me.
